AMENDMENT

Dear Sir:

In response to the office action of May 16, 2002, please amend the following:

In the Claims:

1. (Amended) A bag for containing products [produce and the like], said bag containing a solid-wall, first thermoplastic sheet and a mesh sheet, sealed together alongside edges to define a bag interior, said bag also defining a first transverse seal between said first thermoplastic sheet and the mesh sheet, said first transverse seal line being spaced from ends of the bag and extending across the width of the bag and proximate to a first [one] end of said bag, said first-end comprising said first thermoplastic sheet folded over to define a pair of wall portions, with one of said wall portions and the mesh sheet each having a first end portion joined together with said first seal line, the mesh sheet being spaced from the first [one] bag end; a second transverse seal line defined between a second, separate thermoplastic sheet and the mesh sheet, said second seal line being adjacent to a second end of the mesh sheet, which second end is opposed to said first seal line, said second seal line extending across the width of said bag, said first and second thermoplastic
